Dear Dr. Satoh:

The ATVB journal has initiated awards that recognize our top reviewers. The recipients of these awards are our top performing reviewers in providing many high quality reviews in a timely manner. I am happy to inform you that you have been selected as one of the top ten reviewers for ATVB in 2013. We hope you will be able to attend the ATVB dinner at the American Heart Association meeting in Dallas on November 17<sup>th</sup> where we will recognize your contribution to the journal. If you need any further information, please feel free to contact the editorial office. We would appreciate you sending, as soon as possible, an image of yourself that we could use in the presentations at the dinner.

Thank you for your time and effort in promoting the quality of the ATVB peer review process.

We hope to see you in Dallas!

Sincerely,

Alan Daugherty, PhD, D.Sc., F.A.H.A.
